*E*ffective design translates the client's lifestyle needs in both a functional and aesthetic way. Whether in a minimal, contemporary, rustic, traditional or old-world setting, Design House, Inc. excels in working in partnership with the client to achieve warmth, comfort and substance in each style. Design House searches for unique products to help establish obvious distinction.

Connie LeFevre and her team of designers and showroom staff have successfully combined the design firm with a showroom of art, antiques, accessories, lighting, fabrics, custom pieces and unique one-of-a-kind selections from around the world. The Design House, Inc. Showroom, located in the Resource Center, provides high quality, imaginative and unusual pieces that inspire and intrigue.

An award-winning, full-service professional design firm, Design House has more than 30 years of experience in new construction, remodeling, space planning, lighting design, material specification, as well as installation. With the knowledge to organize and coordinate projects from start to finish and utilization of the latest technology, Design House, Inc. provides solutions to bring concept to reality.
